STRICTLY BALLROOM

Strictly Ballroom the Musical follows ballroom dancer, Scott Hastings. When his radical dance style sees him fall out of favour with the Australian Federation, he must dance with beginner, Fran. Together they discover that to win, your steps don't need to be strictly ballroom!

Featuring numbers such as 'Love is in the Air' and 'Perhaps Perhaps Perhaps' along with some wonderful new songs, this spectacle is sure to make for an unforgettable evening that will send your heart soaring.
